

**WORK SMART™**

**M2 106**

**FIRE & EMERGENCY**

# READY FOR THE CALL.

The Freightliner M2 106 is one of the industry's most dependable trucks. Designed to lower your Real Cost of Ownership,<sup>SM</sup> the M2 106 maximizes your uptime and productivity. With its 55-degree wheel cut and best-in-class visibility, M2 drivers can easily navigate city traffic. Its best-in-class quad cab width accommodates five firefighters and four SCBA seats, so your crew can travel comfortably. And a robust engine-cooling package reduces the chance of overheating during high idle, so your M2 106 is always ready for action.
